

**LACDMH PRESENTS AT SAN GABRIEL VALLEY  
BEHAVIORAL HEALTH ROUNDTABLE**  
By Karen Zarsadiaz-Ige, LACDMH Public Information Officer

ON Wednesday, May 13, 2015, the Los Angeles County Department of Mental Health (LACDMH) took part in the Behavioral Health Roundtable behind held at the Citrus Valley Health Partners/Inter-Community Hospital in Covina. The event was presented by the Health Consortium of Greater San Gabriel Valley.

The roundtable was an opportunity for primary care, mental health and substance use disorder providers in the San Gabriel Valley to learn more about the services and resources available to clients. Over 100 people attended the morning discussion that was intentionally put together to strengthen community and health provider relationships in the San Gabriel Valley.

Funded by Kaiser Permanente Baldwin Park and co-sponsored by Citrus Valley Partners, the roundtable event included information and presentations from LACDMH's Kathleen Kerrigan, Dr. Robert Byrd and Alfredo Larios. They shared information about Health Neighborhoods to the attendees, and they also provided additional information about LACDMH resources and services available to clients and referrals.
